Environmental Interventions for Asthma

Advancing Policy Locally

Asthma Summits Hosted by HUD, EPA, and CDC

12 summits impacting 20 states and reaching 700+ champions

Landscape of Reimbursement

EPSDT

SPA

CHIP

MMCO

1115 Waiver

Across the country, we are starting to see sustainable reimbursement policies for in-home asthma visits conducted by licensed, certified, and non-licensed and non-certified professionals.

Thank you for your leadership.
